ENERGY TRADE PRESS

Duke to offer expanded suite of clean energy options to Amazon, Google, other large customers

By Ethan Howland · May 30, 2024

WHAT IT COVERED

Reported the Accelerating Clean Energy tariff framework for large commercial and industrial customers in the Carolinas, including financing for advanced nuclear and long duration storage.

MY ROLE

Led enterprise communications across Duke Energy, Amazon, Google, Microsoft and Nucor.
Authored executive messaging, including remarks delivered at the White House.
